Valparaiso Community Library

Summer 2016

## Summer Reading Program

It's not too late to participate in this year's summer reading program! The program will run until August 10th, and requires that patrons ages 12 to 17 read 5 young adult, general fiction, or non-fiction books to earn a prize. New prizes are awarded for every 5 books read, and include coupons to local dining establishments as well as fun games and trinkets.

Stop by the circulation desk to ask about the program!

### Science Fridays

Explore earth science with engaging activities this summer! July's theme is lava, August's theme is mountains, and September's theme is the ocean. Check each month's calendar for specific dates and times.

### Need Community Service Hours?

Consider helping out at the Valparaiso Community Library!

Duties include dusting, shelving, and straightening books.

Timesheets can be picked up at your school office.

No experience needed!

### • Featured Book

### • "Airborn" by Kenneth Oppel

- In a swashbuckling adventure reminiscent of Jules Verne and Robert Louis Stevenson, Kenneth Oppel, creates an imagined world in which the air is populated by transcontinental voyagers, pirates, and beings never before dreamed of by the humans who sail the skies.
